Re: Letter of recommendation:

**To Whom It May Concern:**

This letter is for the purpose of introducing Buddy Lauer & Sons' Construction Company to you. Prior to choosing the contractor that would build our home, we had a specific criterion we needed our contractor to possess. This criterion was simple. He had to have integrity, honesty, the ability to keep open and effective communication with us, and to attain a positive, productive work ethic. I am please to say that Buddy Lauer & Sons' possess all of these qualities.

As the construction process began, we soon realized how fortunate we were to have had the opportunity to offer Buddy the contract to construct our home. He "listened" closely to our needs, worked with our budget, payed attention to detail, and agreed to work with our time lines. Additionally, Buddy has assisted us with recommending several creative changes that has complimented and enhanced the interior of our home.

You will find that Buddy has also taken great care and time to put together an extraordinary construction crew. Awesome is the word that comes to mind. With each phase of our construction project, every member of his crew produced outstanding craftsmanship. They proved to be conscientious with the quality of their work and highly motivated.

It is with pleasure that I recommend Buddy to you as a potential contractor. You will only be pleased and grateful that you have chosen him. Should you want to walk through our home or speak with us, please feel free to contact us.

Sincerely,

A handwritten signature in cursive script that reads "Rebecca, Larry Allen". The signature is written in dark ink and is positioned above the printed names.
