Dear Mr. Lauer,

I hope that this e-mail finds you well.

Thank you very much for such a wonderful house. I will treasure it for the rest of my life. I also truly appreciate your wonderful present. I cannot thank you enough.

As for the final payment of \$17,893.91, I will do my very best to pay as soon as possible.

I stayed there for 3 days; I am most satisfied with every bit of it, not only the scenery but also the kitchen, bathroom, pool and other parts of the house. I am most grateful to you, Michael, Kirk and all the other people who are involved in this project.

If you ever come to Japan, please do let me know. I would love to take you to a golf course in Japan.

Kind regards,

Mike
