To Whom It May Concern:

In 2000 to 2001 I contracted with Buddy Lauer to build my home in Wai'alea Pualani Estates. After consulting with several different builders I chose Buddy Lauer & Sons as they had come highly recommended. I was and continued to be extremely pleased with the entire process of working with Buddy. I found him to be highly skilled and competent, as well as responsible, reliable, and consistently available. It was clear that he enjoyed an excellent reputation and maintained very positive relationships with his crew and subcontractors.

My home turned out better than I had ever imagined possible. It is absolutely beautiful and extremely well built. I would definitely contract with Buddy Lauer a second time. I consider Buddy to have a great deal of integrity and I can recommend without exception.

Please feel free to contact me if I can provide any additional information regarding this process.

Sincerely,
